Call for Partners - Urban Agenda for the EU Thematic Partnership on Building Decarbonisation

Fields marked with * are mandatory.

Important Notice

The present Call is open to organisations interested to join the new Thematic Partnership under the Urban Agenda for the EU focusing on “**Building Decarbonisation: Integrated Renovation Programmes and Local Heating and Cooling Plans**”.

For more information about this call and the assessment criteria, please consult the **Background Document**.

For more information about the thematic area (Building Decarbonisation: Integrated Renovation Programmes and Local Heating and Cooling Plans), please consult the **Ex-Ante Assessment report**.

You can access both documents for download on the right-hand column of this page or by visiting the [dedicated webpage](#) for the Thematic Partnership on Building Decarbonisation: Integrated Renovation Programmes and Local Heating and Cooling Plans.

In case you have questions on the call, you can refer to the dedicated [Q&A document](#).

The Call for Partners is scheduled to be open until 2 October 2024 - 14:00 (CEST). Only applications submitted in English will be accepted.

The institutions / organisations wishing to apply should complete and submit the following application form.

Partnerships can benefit from expertise and administrative support. In addition, financial support covering travel and accommodation expenses is offered to **eligible urban authorities**. Find more information regarding the Support Services Package in the [factsheet](#).

This call is coordinated, steered, and developed by the European Urban Initiative, which receives EU funding to provide support to the Urban Agenda for the EU on behalf of the European Commission for the period 2021-2027.

Fields marked with * are mandatory.

- Other situation

* Please specify

* 3.1.2. If you are applying as a city or a grouping of urban authorities, please specify the number of inhabitants.

- (S) Less than 50,000 inhabitants
- (M) Between 50,000 - 100,000 inhabitants
- (M) Between 100,000 - 250,000 inhabitants
- (L) Between 250,000 - 500,000 inhabitants
- (L) Between 500,000 - 1,5 million inhabitants
- (L) More than 1,5 million inhabitants

* 3.2. Has the applying institution **previously been involved** in an Urban Agenda for the EU Thematic Partnership?

- Yes
- No

* 3.2.1. Please describe your involvement and include the name of the Thematic Partnership you were involved in.

1000 character(s) maximum

* 3.3. Is your institution interested in hosting one of the in-person Urban Agenda for the EU Partnership meetings?

The meetings will be organised jointly with the UAEU Partnership Coordinators. In the past these meetings were 1 to 3 days. This is a unique opportunity to also promote your area.

- Yes
- No

4. Specific Selection Criteria for All Applicants

* 4.1. What is/are your **primary motivation(s)** to become a **partner** of the Urban Agenda for the EU Thematic Partnership?

Maximum 2 selection(s)

- Sharing own experience and expertise
- Learning from other cities' experience
- Willingness to contribute to EU policy process by providing the urban perspective
- Dissemination of knowledge
- Tackle specific problems at urban level through multilevel governance cooperation
- Other

* 4.2. Please explain why you are motivated to be involved in the Partnership for each of the selected options above.

The answer could comprise such as reason to engage in the TP, engagement in similar / related activities (please name), demonstrated political will, dedication to the topic, resources willing to contribute (e.g. staff resources) etc.

2000 character(s) maximum

* 4.3. Where is your expertise in plans and programmes in Building Decarbonisation across these areas?

Please note that there is no need to have experience on all subjects, but at least on one.

- Building renovation programmes including investment, financing, and installation of heat pumps, solar, storage and district heating and cooling systems. *Expertise of collaboration with building owners with local authorities to speed up funding and implementation of renovation programmes would be welcome.*
Please elaborate in the specific field below
- District and neighbourhood approaches to renovation, including cost-effective technologies for spatially related buildings and collaborative financing of these approaches. *Public-private investment collaboration (e.g. through the EIB) expertise are especially welcome.*
Please elaborate in the specific field below
- Energy masterplanning, from local area energy planning to local heating and cooling plans. *Expertise in collaboration with utilities and distribution system operators are especially welcome.*
Please elaborate in the specific field below

* 4.3.1. Please elaborate on your expertise in **building renovation programmes including investment, financing, and installation of heat pumps, solar, storage and district heating and cooling systems.**

1500 character(s) maximum

* 4.3.2. Please elaborate on your expertise in **district and neighbourhood approaches to renovation, including cost-effective technologies for spatially related buildings and collaborative financing of these approaches.**

1500 character(s) maximum

* 4.3.3. Please elaborate on your expertise in **energy masterplanning, from local area energy planning to local heating and cooling plans.**

1500 character(s) maximum

4.4. How well are you able to work with other cities and organisations in the partnership?

(1 = not at all, 5 = to a large extent)

	1	2	3	4	5
* International level	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>
* EU level	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>
* Sub-regional level (i.e. Baltic region, Scandinavia, etc.)	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>
* National level	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
* Regional level	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
* Local level	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

* 4.5. Please provide one or two illustrative examples underlining your higher rated areas in terms of outreach to other organisations.

500 character(s) maximum

* 4.6. Please describe your availability of human and financial resources throughout the duration of the Partnership and your commitment as concrete as possible.

The best application will state seniority of role and full-time equivalent. Note: This will not be a prevailing criterion for small and medium sized cities.

With regard to human resources, indicate the time and level of staff that will be committed.

With regard to financial resources, indicate the costs of any consultant fees and expenses.

500 character(s) maximum

- * 4.7. Since you apply as a city please describe **your interest in integrated renovation programmes** (e.g. if districts/neighbourhood approaches are/or will be included in local development documents/or the city's renovation strategy).

Local Authorities (LA) joining the Thematic Partnership should be interested in integrated renovation programmes taking into account the balance between residential and non-residential buildings or premises that will be renovated within the same buildings and/or spatially related blocks. It would be appropriate to focus on housing, but inappropriate to include some large non-residential developments (e.g. shopping centres, warehousing districts, and airports) where there are few spatially related dwellings or public sector premises.

1500 character(s) maximum

5. Specific Selection Criteria for Applicants as Coordinators

- * 5.1. Please describe your experience and expertise in the management of multi-level and/or international projects, initiatives and partnerships.

Please provide concrete examples, including information such as your role, size of the project, duration, number and origin of partners, etc.

800 character(s) maximum

- * 5.2. Please indicate your expertise and role in dissemination and institutional communication at EU and national level.

Please provide concrete examples such as collaboration in networks, organising workshops, conferences, campaigns, webinars, brochures, flyers, web content, social media etc.

800 character(s) maximum

- * 5.3. As a coordinator please indicate your planned allocation of human and financial resources throughout the lifecycle of the Partnership.

Consider adequate allocation of resources if you are applying for a coordination role.

800 character(s) maximum

* 5.4. Please outline your proposal concerning the kick-start of the Partnership's work based on the outcomes of the Ex-Ante Assessment and the management of this new Partnership.

Such as defining perspective and focus, working methodology, potential agenda, form to convene, results to be aimed for, any particular element etc.

1000 character(s) maximum

Submitting Application

I give my consent for sharing my application with other members of the UAEU Partnership (and other partners of the UAEU governance).

I acknowledge and understand that, if selected, my role might be re-evaluated, if my performance is unsatisfying.

* Please indicate whether you would like to receive regular updates on the Urban Agenda for the EU and the European Urban Initiative via the dedicated newsletter.

Yes

No
