FOUR MEETINGS SINCE 24.01.19

CITIES Forum 2020

Together we shape  
a sustainable urban future

Porto, 30-31 January 2020

# ORIENTATION PAPER (MAY 2019)

Priorities :

- 1. Urban planning and design to create safer cities
- 2. Technologies for smart and safe cities
- 3. Managing security and sharing public spaces

CITIES Forum 2020

Together we shape  
a sustainable urban future

Porto, 30-31 January 2020

# DRAFT ACTION PLAN

1 : Self-assessment tool  
for safe cities

2 : Recommendations on  
EU security strategy,  
multilevel governance and  
funding

3 : Legal framework for  
Safe City Technologies

4 : Training curriculum for  
city administrators and

cooperation with local  
stakeholders (public/private,  
citizens)

5 : Measure of the impact of  
social cohesion on security  
in public spaces

6 : Guidance for  
architectural spatial design  
(security by design)

# CITIES Forum 2020

Together we shape  
a sustainable urban future

Concrete needs in terms of security at local and regional levels must  
find concrete answers

Defending urban areas against threats amounts to defending  
European ideals and values
